

REMARKS

In the Office Action the Examiner indicated that the application contained four different inventions, namely the washer, a threaded fastener, a method of tightening/loosening and a power tool.

The Examiner requested to elect a single invention for further prosecution.

With the present communication applicant has elected for further prosecution the invention related to a washer, classified in class 411, subclass 303.

Claims 1-33 are readable on the elected invention.

The other claims have been canceled without prejudice.

Consideration and allowance of the present application with all the claims currently on file is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance,

REMARKS

In the Office Action the Examiner indicated that the application contained four different inventions, namely the washer, a threaded fastener, a method of tightening/loosening and a power tool.

The Examiner requested to elect a single invention for further prosecution.

With the present communication applicant has elected for further prosecution the invention related to a washer, classified in class 411, subclass 303.

Claims 1-33 are readable on the elected invention.

The other claims have been canceled without prejudice.

Consideration and allowance of the present application with all the claims currently on file is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance,

then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,
